“ *Mi Tia Pila was a great person we were blessed to have had come to see my mother before she passed. The distance between us was far but our love for her kept her in our hearts. I got such a warm feeling when Geneva would post pictures of mi Tia because she reminded me so much of my mother. She was a beautiful person inside and out. We will miss you but never forget you. I know my mother is one happy camper today to have her Hermanita home in the house of the Lord. Rest in peace and may the Lord welcome you home with open arms.*
