“ I send my condolences to Randy's family in this difficult time. I am so surprised of his passing as he was always active and didn't seem to have any health issues. Randy was such a kind and caring person. He was a great family man who took pride in his work. i will always remember his smiling face at BBCC! He will be truly missed!

I am so sorry to hear of Randy's passing. Randy and I served together in VA-95 a Navy A-6 squadron. We rented half a duplex in Oak Harbor where we enjoyed good times fishing, duck hunting, crabbing, and a few too many beers. I wish we had been able to get together before his passing. He was a great friend and shipmate.

“ I am so sad about Randy's passing. Randy was a GREAT guy! He did yard work for my husband and I for years. He was always so friendly, nice, and fun to talk with. I loved his laugh! We knew that he was ill. I ran into him not too long ago and despite his condition, he was upbeat, friendly, and full of a great smile. He will be missed by Mike and I.

“ I am shocked & saddened upon hearing this news. Randy was one of those people that always lead by example in the way he lived. I would have to say he was a man amongst men who provided spiritual direction, just by the way he lived his life. My prayers for healing & support go out to his family and friends. He, along with Jim Tincher, his co-worker, truly were those types of spirits who were a guiding light!
