“ I am so sorry to hear what happened to you dad. May god help heal you all from your loss. Leslie and Matt I hope the 2 of you know just how much he cherished and loved you. Your dad was so proud of the 2 of you, that when we talked about you guys he would just beam with pride. We had a lot of history, since jr. high school, bad and good mostly good, he had a big heart, he was a kind man, a good man, really can't say enough good about him. As much as we had been through we still loved and cared about each other, and always kept in contact with each other. Always remember what a great man he was and you guys were his love and his life. God has taken him for other reasons as good as he was on this earth he will be better in heaven. Sorry!!!!!!!!!!!! if you need to talk my # is 360-748-4155.##imported-begin##Janet E Price##imported-end##
