

Rexene Johnson

February 1, 1938 - September 24, 2016

Rexene Yvonne Johnson, 78, of Moses Lake left her family and friends here on earth, Saturday, September 24th to join the Lord, family and friends that arrived there before her.

Rexene was born February 1, 1938 to June and Virgie Skinner in Benton, Iowa. She and her family moved to Twin Falls, Idaho where she graduated from high school in 1956. One month later she married Dennis Johnson and started their family of four children. Steven Roy, Christine Yvonne, Michael Alan and Amy Jo.

Rexene was a loving and generous mother, grandmother and great-grandmother. Her main concern in life was her family. The legacy she leaves is one that only few can hope to live up to. A saying that she used often was "Think of this as an adventure". She is now on the greatest adventure, free of pain and suffering. She will be forever loved and missed.

Rexene was preceded in death by her parents, brother Virgil (Bud), and her sister June. She is survived by her four children, 8 grandchildren, 10 great-grandchildren and her sister Vivian (Bib), numerous nieces, nephews and other family members.

Rexene loved Pepsi, going to the movies, and the smell of flowers, especially roses.

"Come meet me in the garden, Lord;
How happy I will be...

Uplift my heart and soul with joy,
And set my spirit free!"

“ We first met Rexene and her family in 1972 when we moved from Germany to Moses Lake base housing. They lived one block from Pershing Street. My brothers Lional and Darrell went to Moses High School and sometimes Rexene would pick up Chris, Steven, Lional & Darrell from school. I worked for the Grant County Airport and during summer we would have picnic at Moses Lake Park. We have known Rexene for more than 40 years. It's good to know that she has met up with our mom Fannie Kam in heaven and have lots to talk about. Rexene was a loving and kind person, we will miss talking to her and her Birthday/Christmas cards.

“ I always will remember the times when the girls (Julie and Amy) were in grade school and beyond, cooling off in the hot summers with their feet in the wheelbarrow full of water in the back yard. Rexene, you were a great mom and neighbor through those years. I am so sorry for your loss Amy and family.

“ *Rexene, with her laughter and KFC and pepsi, always made our PMC celebrations special. She was the hardest working person. I will miss her talking of her special, fragrant roses at home, and sharing stories with Stacey and I. She will be dearly missed. Love, Michelle and Stacey.*
