“ Sorry to hear of Rick's death at so late a time. I had wondered why he no longer messaged me on the VRCC website. We had ridden with his neighbor (Jerry?) to Connell. I had met them on Hwy 17, riding in from the Tri-Cities. I paid for his and Jerry's lunch and we had a great time. I heard of his passing just last week, at the VRCC "Inzane XV" rally in Spearfish, SD. I was getting my tires replaced at the dealership there when a gentleman rode up on a Valkyrie with Texas plates. He had a memoriam to "Old Dog 1946, RIP Rick Hathaway 1946-2014" on his license plate frame. So Rick was well known nationwide in the Valkyrie community and has not been forgotten. Rest easy Rick... You buy lunch when I catch up with you.

“ Teri and family. I was so saddened to hear of the accident. I worked with Rick at Desert Oasis. He was always so nice and I don't think I severe had a customer be upset with his work. I always remember all of the praises he would get. When my dad would come in to visit me him and Rick would always joke around. I am so sorry for your loss and send many prayers for you in your time of grief. His memory will live on.

“ *John and Family, I was so sad when I read the article about the accident, and even sadder when I found it to be your father. It's been years since I've seen or spoken to you, but feels like just yesterday. I can't imagine what you and your family are going through. I hope you can overcome the anger as I would feel, and somehow find peace.*

*Prayers to you and your family.*
