“ *Ruthie, just this evening I learned of Rick's passing. I am sorry for you and the boys and I am saddened in my heart. He was a great friend way back there in High School. I have always been thankful that I knew him. I was encouraged each time we had opportunity to visit (way to few) of his faith in and love for God. One of the most appropriate scriptures for me in these moments is 2 Thessalonians 2:16, 17 "Now may our Lord Jesus Christ himself and God our Father, who loved us and gave us eternal comfort and good hope through grace, comfort your heart (s) and establish it in every good work and word."*

May this be true for you.

“ Dear Ruthie: Many years have passed since we last saw each other but it hasn't changed the care and concern which comes with friendship. My prayers are for you and your family as you face the future without Rick right by your side. The Lord is faithful who has special comforts for the widow and the fatherless. Soon we will all be caught up to meet our Savior Who has so faithfully guided each of us on this journey. With much love, Louise

“ Dearest Ruthie. I don't know how to say this. When Ron past I was face to face with him helping him up to go to hospital. And he said to me "I am going now" and was gone. in that one moment he went from looking at me to being face to face with Our Lord. That helped me though many things in the days to come. You are in my prayers and have been for a long time. If I can be "some one to talk to" please by all means call me at any time day or night. All my love. He will be missed I remember all the fun we use to have when we were young and active in ML. and how much he loved you then. Till we all meet with our Lord in the Sky. Deborah Blakley

“ Ruthie, our family is sad to hear of Ricks passing. The testimony of your marriage shines with the love if Christ. We are looking forward to being reunited with our loved ones soon. I can testify that Gods love is special to widows, you will recognize His care of you.

“ Dear Ruthie, Stephen and Wesley,
We know Rick is with Christ which is far better but he will be greatly missed! He was a wonderful husband, father and friend. Tears fill my eyes as I think of him and all of you as I remember back to many good times we had as YP and on our visits there in Moses Lake. My heart aches for you as I know you will be lonely without him. The love you had Ruthie for him was obvious to everyone who knew you and he loved you so very much.

We will continue to pray that the Lord comforts your hearts as only He can.

With much love, Sid and Linda

“ To Ruthie, Wesley and Stephen - our hearts are full for you right now in your great loss. May you each feel the Lord's arms around you comforting, encouraging and sustaining you in the days to come. Mike and I had our first 'date' going to a volleyball game in Rick's backyard when he lived in Warden many years ago! We counted it a privilege to call him our friend. Rick was a true man of God. And he lived his faith for all to see. We will miss him. Mike and JoAnn Wenz

Rick was a true man of God - and we counted it a privilege to have known him. Mike and I went on our first "date" going to a volleyball game in his backyard at his house in Warden many years ago! Rick was always a rock solid influence in our lives. A man who knew Whom he believed in and lived his life to honor Him. We love you.*
