“ I recently learned to my sorrow of Rob's passing from WSU's "Washington State" magazine. Rob is one of my most special memories from my time at WSU, as my neighbor down the hall in the dorm and the head photographer at Student Publications. He taught me a lot about making good times and good pictures. My deepest condolences to Layne and the family.

“ The Bezzo family lived next door to me on Karr Avenue in Hoquiam, when we were all little kids. I played at their house a lot in those years. Their parents were so nice. Rob's Dad & I had the same birth date, so we always wished each other Happy Birthdays. There were 56 kids on our one block and the fun was endless, back in the day when kids played outside. Kerri & I fell out of a barrel while riding in the back of his truck. I have so many memories of the entire family. I am so very sorry for your loss. I have thought about all of you often over the years. Prayers & hugs to you all. Love, old neighbor & friend, Kathy Powers-Waite

“ Rob was one of the smartest and wonderful people I've ever known and worked with. If you had a question about anything, he would probably have an answer.

Prayers to the family.

“ I can't tell you how many times Rob saved me as a new nurse in the OR at Skagit, and years to follow... He always knew how to fix anything and was a true team player plus performing his job as nurse anesthetist ! Sending family love and prayers, Sherrie Collingwood.....

“ I send my deepest condolences to the Bezzo family as you mourn Rob's death and celebrate his life. I was saddened deeply when I saw Rob's obit in this morning's Skagit Valley Herald. Sister Barb and I have so many fond memories of Rob, Layne, Russell and Matt, and our time at church. Also, vivid memories when Matt received the scholarship in memory of my dad, George C. Bricka, Jr.

Peace to you all.
