“ I would like to Thank ALL who knew and loved Rob for your support and kindness through this terrible event. It brings happiness to my heart to know how much Rob was loved. I too shared a love for Rob. Rob was going to be my father-in-law. I remember the look on his face the first time I introduced him as "my father-in-law". He was shocked and honored all at the same time. He said to me, "father-in-law?! But I'm not official yet. I replied, "You have always been a father-in-law to me in my eyes Rob." And we shared a soft smile and a hug. He was always ready for a good time. And yes, he had a laugh like no other. I love you Rob!!! And you will ALWAYS be my father-in-law. I hope you and Ron (my Dad) are up there drinking beer and watching races together. We will miss you very, very much!! Cheers!

Love always and forever,
Cori Taylor

“ It's been a week now and I still can't wrap my head around the fact you are gone. It was an honor to call you friend. Lots of great times spent with you. What I'll remember most is laughing, always laughing. Your sense of humor could ease any situation. I'll never forget you bro.

“ In the few years I knew Rob, he was someone who's name was mentioned daily in our home and someone whom I always looked forward to having a witty chat with when I would come into Oxarc. He was such an amazing mentor to my husband and really was an all around great guy. Rob would always cook such large meals at home, get tired of left overs and then send the rest home to us....Our kids always loved Rob dinner surprises dad would bring home. I made a promise to Rob two years ago I would be his sidekick to the Oxarc wine tour...after I was" done" having this baby.....this year I am going and it will be in honor of him. Although I was not a coworker, the impact he had in my husband's life carried over to our family. My deepest condolences go out to his son and family.

“ Just wanted to say how very sorry I am for your loss. I worked with rob for only a short time. But in that time we've had many conversations about Nascar, formula 1, indy cars, NHRA and of course cooking. He was a great cook ,and like all good cooks he was always looking for that new recipe so he could bring it to work and share with us all. And of course don't forget the landjaeger. He always said "I've never met a landjaeger I didn't like" . I'm really gonna miss those conversations. And of course the friendly cooking rivalry. Hope you got a front row seat at the finish line buddy. Mermosas for everyone. And to Ryan, and family again sorry for your loss

*You know this one Rob.....
Make me a channel of your peace:
where there is hatred,let me sow love;
where there is injury, pardon;
where there is doubt, faith;
where there is despair , hope;
where there is darkness, light; and where there is sadness,
joy.
Oh Master grant I may not seek to be consoled as much as
to console;
to be understood as to understand; to be loved, as to love.
For it is in giving that we receive,
it is in pardoning that we are pardoned,
AND IT IS IN DYING THAT WE ARE BORN TO ETERNAL LIFE.
.....Your heart of hearts , Rob , is reflected in
your most dearest Ryan. This I know . There is no question ,
in my mind , you will rest on his shoulder from time to time.
And certainly no question the comfort you will bring .
God Speed to you Rob. God Speed .
Ryan and I will see you on the other side.
Always,
Theresa*

I know that so many people at Oxarc were touched in a positive way by Rob. He was a friend to so many and one of my favorite hugging buddies. I will miss him and my prayers are that his family will be able to take comfort in knowing just how much he was loved and will be missed. We all share in their grief. Blessings and peace to the family.
