“ I see your pain and want to banish it with the wave of a star. I see your tears and want to dry them with the hem of an angel's gown, but have no angel. I see your heart fallen to the ground and want to return it wrapped in clothes woven of rainbow but have no rainbow. God is the one who has stars, angels, and rainbows, and I am the one God sends to sit beside you until the stars come out and the angels dry your tears and your heart is back in place, rainbow blessed
Our deepest Sympathy to you and your family. Bob will be deeply missed.
