“ Robert was a classmate of mine in Sweet Springs, MO. He was a very good football player, but an even better basketball player. He and my husband, Mark, were teammates. Robert always had a smile on his face. When playing basketball, his tongue was always sticking out! I'll miss his smile.

“ I first met Robert at the Kingdom Hall. You would never see such a beautiful and sincere smile as Robert had and shared with us every time we saw him. He was what I called the gentle giant. Such a presence yet such a kind sweet brother. We can't wait to see that smile again! Love and prayers to you and the kids Anna. Joe & Deb Jolly

Robert was the best big brother anyone could ask for. Being 9 years younger than him, I wanted to do everything he did. I can remember as kids, and even as adults, he always looked after me. I'm going to miss talking with him about football and family. We used to really crack each other up. His influence played a major role in who I am today. The things he taught me are still with me to this day. I miss him with all my heart.
