“ *We were so blessed to have her for our Mom! She set such a good example of how we should be. She was loved by everyone and never heard a negative word about her. She had the biggest heart and loved doing for others, it gave her great joy! We all have so many precious memories with her. Many, many nights of playing games and laughing so hard it brought tears to our eyes. She taught me so much about so many things, can't imagine not having her here to talk to any more! I am so happy that she is now with the love of her life, Dub, and everyone else she loved so much!*

“ I have SO many precious memories of/with Auntie Berta...she was so quiet, kind, and gentle, yet spunky, energetic and loved to laugh. I know how much she loved and cared for her whole family. A very crafty person...I have many, many crafts (including Christmas ornaments almost every year, doilies, quilts, etc.) from her that I will cherish forever. A very special lady - who touched many peoples lives...So happy for her to be joined with her loved ones in heaven.

Keeping you all in our prayers...  
Love & Hugs-

“ Roberta was truly one of the nicest ladies I have ever known. Her easy-going demeanor stood out and she was a pleasure to be with, whether it was playing pinochle in groups over the years or her diligence in putting together an activity with the Ladies of Elk. A classy lady, she will be missed by all who knew her. Marian Spencer
