“ Yes, we will miss Bob--Brenda, Rhonda, we know that you are grown now, and Bob was the best grandpa to your children. It has been many, many years since I made your dresses for you. Your parents were so happy to see you all dressed up. Your Dad was a very special man--you KNOW, GOD LOVES EACH OF YOU, AND YOUR DAD!!Don't you think your mom has taken him by the hand and said "now we can watch the girls together" May God bless & keep you full of courage for each day, in all you do. “ I have had the privilege of knowing Bob for many years, having met him through the many service organizations of Moses Lake. Bob was full of life and love and always had something funny to say. He enjoyed being around friends and there was always a sparkle when he was with Eleanor. He loved to tease and when I think of Bob, I will always remember when they tricked us all (claiming that Bob had stayed home because they were fighting)on Halloween at the Elks and Bob was really there in costume the entire night. Rest in Peace, Bob...your memory will live on.##imported-begin##Cheryl McIntyre##imported-end##

“ R.I.P our friend. It was an honor and a blessing to have considered you a friend. You made us laugh, you made us smile. We will miss your jokes and will keep the smile you always had on your face in our hearts. Eleanor, our hearts go out to you in the loss of this wonderful man. The dance floor will forever be empty without the presence of such a "full of life" couple. To the relatives of Bob, may your hearts be forever filled with the memories of your father, grandfather and brother. We will miss you Bob...But will forever remember you.##imported-begin##Denyse and Joe Ottmar##imported-end##

“ My grandpa Bob was the most clever,fun, giving, adventurous,funny,kind man that has ever walked the planet earth. He would do anything for his friends and family, even if he had to go out of his way to do it. His sense of humor was fantastic. He had a way with people, everyone got along with him. Whether you've heard one of his tales or his riddles or jokes you know they stick will stick with you. He will always be in our hearts. Love you gramps. We will alwaysbe reminded of you by the positive impact you left with us.##imported-begin##BreeAnna Caballero##imported-end##

“ My grandpa Bob was my best friend. He was there all throughout my life, Through the good and the bad times. Even when he got sick he still only worried about everyone else but himself. My grandpa was selfless and had a huge heart. he made me laugh all the time. But he was also very bright. He told me "Life is like a train. Others have to get off so more can get on." What he meant by this was that in order for a new life to come into this world, one must be lost. I will forever miss this old man. He was the greatest person in my life. None of this seems real, sometimes I can't believe that youre gone. But I know one day I'll see you again.This much I am sure of. Love you Grandpa. “ Rhonda, Brenda and all of Bob's family, please know that we will miss our GREAT NEIGHBOR BOB too! It has been wonderful living in our quiet little neighborhood and Bob just taking care of everyone since he was the retired one on the block! We agree, his sense of humor was was incredible, it was just a few days ago he was making Adela laugh at Walmart! We missed him at Chopo's retirement party recently, he told us he wanted to go and dance - and a good dancer he was, but sadly didn't feel well enough to attend that day. Elenor please know that he would share with us the good times he enjoyed with you, he truly enjoyed your company, dinners/dancing, you brought happiness to his life. Brenda and Rhonda, what can we tell you that you don't already know, Bob LOVED his girls with all his heart, this he shared often with us. You have been his pride and joy. At this difficult time we pray that you find consolation in knowing how much you loved and cared for each other and know also that what a blessing it was to have shared in the life of someone you loved so much. It is now sad for us also to drive by his house and not have him wave to us - we miss him. We have to say goodbye to Bob now but just like with Honie, it is only until we meet again some day. Please call on us if there is anything we can help you with. With sincere sympathy in your time of loss.
