

Robert "Dan" Wiley

April 18, 1948 - March 25, 2013

Robert "Dan" Wiley arrived at his Heavenly destination on March 25, 2013. He was 64-years-old and made his home in Moses Lake with his loving family for more than 38 years. The relatives and friends of Dan are invited to attend a Celebration of his Life at the Moses Lake Christian and Missionary Alliance Church on Saturday, March 30, 2013 at 1 PM. Please sign the online guestbook or leave a note for the family at www.kayserschapel.com Arrangements are in care of Kayser's Chapel & Crematory.

He was born on April 18, 1948, in Burwell, Nebraska to Robert and Irene Wiley. He was the couple's second child. Dan has one sister, Nancy Jo Miller, of Coulee City. From a young age, he spent much of his childhood with his maternal grandparents, Wesley and Julia Reynolds.

He enlisted in the United States Navy when he was 19-years-old and spent 19 months in Vietnam. This is where perhaps the greatest love story ever began. Dan met a young Tennessean man named LeRoy Daniel and the two quickly became best friends. One day, LeRoy pulled out pictures of his four sisters back home and showed Dan. What he saw was a stunning, beautiful brunette named Betty. Dan wasted little time in asking LeRoy for permission to write to her. The two fell in love through letters. The family cherishes pictures of a young Dan writing letters, undoubtedly to Betty, with her picture propped up beside him. When Dan returned to the states, he met Betty in person for the

first time and the two were engaged that very night. It was a beautiful marriage that spanned nearly 44 years! It was, and will always continue to be, a love story that inspires everyone who hears it.

He founded American Tax Service in 1986 and that kept him busy during the tax season. This is also where many people came to find out who “Dan the Tax Man” was. He loved meeting new people and genuinely cared about them. He was extremely proud that he and his son Troy have made the business as successful as it is to this day and that legacy will continue.

He had a great love and passion for the Second Amendment. He was the Chairman of the Moses Lake Friends of the NRA and took great pride in that. One could often find him at the Ephrata shooting range, where he loved to test the performance of the bullets that he spent hours reloading in his garage—he loved to shoot. He loved going to Wyoming with his sons, grandsons and dear friend Dave Helms to hunt for antelope. He also enjoyed watching sports with his family, listening to Gospel music, swimming in the family pool, and watching Nebraska Cornhuskers’ football.

He was a Patriot who loved our great country, a Vietnam War veteran, successful businessman, a loving husband, father, grandfather and friend—for everything he loved, above all, was his family. He lived his life to the fullest and set an amazing example for his children to follow.

Dan is survived by his loving wife Betty, daughter Tammy Stevens (married to Pat) Stevens of Moses Lake, daughter Lori Cole (married to Jason) of Warden, son Troy Wiley (married to Jana) of Moses Lake, and son Robbie Wiley (married to Jamie) of Pasco. His loving children gave him one of the greatest joys of his life—granddaughters Kaitlyn and Taylor and grandsons Brandon, Jared, Brayden, Noah, Jacob and Jack. He passed on his loving and tender heart to each of his family members and for that, we are all

eternally grateful and we cannot wait to see him again.

Donations if desired may be made to the Moses Lake Friends of the NRA.

“ Dad,

I love you so much. It is still so hard to know that you are not here with us anymore. I think about you all of the time and it always seems as if I am just a moment away from tears.

I am not just sad, though. I know I will always miss you but hold true to the fact that I will see you again, and as Jamie said, "He is listening to and singing the most beautiful Gospel music ever!"

I am forever grateful that God gave me such a wonderful dad and Papa to my two baby boys. They will always know who you are because I will have you with me until my time comes to leave this earth as well.

Thank you for being such an amazing dad. I can never express with words how much I love you and how much you mean to me. Your loving family will continue on, and lean on each other in our time of grief.

I will live my life as an honor to you and practice your ways of life, because I have not known a more kind, caring and loving man.

Life just simply won't be the same without you.##imported-begin##Robbie Wiley##imported-end##

“ Aunt Betty & Family,

We are so sorry for your loss. I know it is hard but remember that we will all see Uncle Dan again when we get to heaven. I will never forget the times that Uncle Dan and the family would come to Tennessee to visit. One great memory is the time he took several of us younger kids on a trip to The Chickamauga National Cemetery outside of Chattanooga, TN. Dan had taken an interest in photography and wanted to take some pictures at the park. We didn't know he was going to take 10,000 pictures! LOL! Even so, Uncle Dan took the time to give us younger kids a history lesson while we were there.

He was a tremendous man and always made sure that we all had a great time in whatever we were doing. I wish that we had lived closer so we could have shared one of our passions. He loved to shoot and hunt as I do and I know we would have had memorable times together.

*To my dear cousins Tammy, Lori, Troy & Robbie,
We love you and wish we could be with you at this difficult time so we could wrap our arms around you in love. Know that Jesus loves each one of you and lean on him for strength.*

*Love,

“ My sweet daughter you have lost your precious husband and we are so sad. Dan was a great husband, father & grandfather. The best son-in-law anyone could ask for. He was funny. he made me laugh a lot. he would be walking through the house and he would suddenly start singing one of his gospel songs that he listened to. But ever now & then he would break out and sing "Don't leave me Lucille". He would laugh & go right on. All the visits me and Betty's dad had with them at their home, Dan was jolly about everything and he was a good cook and helpmate. He is loved by all Betty's family in Tennessee. I can't put into words what Dan meant to all of us. We have special memories of eating at Kiyoji restaurant. When it was time to leave,It was hard to leave our Betty behind. Hope to see you all soon. “ We are sharing memories here in Tennessee of your family visits. Aunt Eva told Juanita today about one visit that had her cackling. At the time, Troy was a little boy & he was telling a story about his Mom. Troy's Dad said, "Troy, don't tell it like that." and he didn't miss a beat , he finished telling his story and we all laughed and I am still laughing today. Troy seemed so grown up because he could fit in and talk like an adult. “ When Pat's mom told him of Dan's passing, he was shocked. His first words were "Mama what are they going to do?" Then he said his first real discussion with Dan when he was just a kid was about his exciting stories about his guns. And you know that kids eat up that kind of stuff. It's like Grandma Rothwell who told her grandchildren and great-grandchildren some wild, scary, unbelievable tales which we all have never forgotten. “ I still cannot believe that Dan has passed. I just say it's a dream but then I cry out to Jesus "Oh no". Life is so short and memories flood my mind. While driving home from work today, I thought Dan was a lot like my Daddy, he had the sweetest spirit and love of family. When we went to visit Betty and Dan and their amazing children, it was like "Going Home". We spent 2 weeks at a time and were treated better than if we had stayed at a five-star hotel. Betty & Dan spread a table like Grandma Daniel & we feasted like Kings & Queens. We were taken on trips to see Washington and the Oregon coast. Dan & Betty & their children & grandchildren just gave us so many precious memories throughout the years. Our visits like I said was like "Going Home". Now Dan has "Gone Home" to be with our Lord and Savior Jesus Christ. What a day that will be when we get to go home to & meet all our loved ones who accepted Jesus as their Savior. I hope that if you do not know Jesus Christ that you might take time to get acquainted with Jesus in the book of John and I hope to see you in heaven too.
