

Robert L. Adair

May 2, 1931 - April 6, 2008

Robert “Bob” Adair, forty-two year resident of Moses Lake, passed in his sleep at home April 6, 2008. Bob is survived by his beloved wife of 52 years, Joyce, and three sons: Brian, Kyle and his wife Kerri and son Nick, and Todd and his wife Lisa, all residing in Seattle. Bob was one of 10 children growing up in Indiana, with one sister, Beverly Wiggs and her family, still residing in the Midwest. Bob also served our country in the Navy and Marine Corps., during the Korean War, receiving several honors and medals. Bob transferred to Moses Lake with the Olympia Brewery to take a position managing Lang Distributing, which he later purchased and became Adair Distributing. After selling the beer distributorship, Bob worked on the greens crew at both Moses Lake and Warden golf courses. During Bob’s time in Moses Lake, he enjoyed boating, fishing, golfing and taking great pride in his yard.

Please check www.kayserschapel.com to leave a note for the family and sign the guestbook. In lieu of flowers, please feel free to donate to the cause of your choice in Bob’s memory. A family service will be held at a later date in Seattle, where Bob will be put to rest.

“ *Adair Family: We share in the loss of Bob Adair. He was a wonderful man with a loving personality and a great smile. Although we didn't get to know or see him or his family as much as we would have liked, one visit with Bob Adair made you feel like you have known him his whole life. We cherish the visit we had with Bob and his family in 2006. We will miss him. Love and sympathies to Joyce and family.##imported-begin##Debra Werch##imported-end##*

“ Dear Joyce and family,
I'm so sorry to hear of Bob's passing. I really enjoyed visiting with you and him during his home health physical therapy treatments. My wife knows him as the fellow who gave me that wonderful Alaskan Halibut. He was a very generous man and as I meet people in our community who knew him, that is one of the things I'll say. My thoughts are with you. God bless.

“ Every month for the past yr, I called Uncle Bob to just say hi and talk. It was always great to hear his voice and talk about his fishing trips he had taken with the boys, about family and yes, comparing medical issues we both were or had experienced. Although I did not get many chances to see Uncle Bob face to face due to the distance between our homes, these calls we had were very special to me. I already miss having them with him.

Aunt Joyce, Uncle Bob will always be looking over you and the family. He was a wonderful person and a great Uncle.

With all our Love,

Kyle and Joan###imported-begin###Kyle and Joan Wiggs###imported-end##

“ 14 years ago when I lost my Dad you all were there for me and supported me with incredible love. Over the years Bob has tenderly and lovingly filled an empty space left by my Dad. He never tried to replace my Dad he just loved me the way my Dad would have. I can not express how much he meant to me. He was an amazing man with an amazing capacity to love. He was honest, sincere and always put his family first. We will miss him so very much. I am incredibly fortunate to be part of such a great family. I am honored to have to know Bob. By just having known him, I am a better person.

All my love & support to you.

“ We just want to say that we are sorry for what has happened. Bob was a great man and a GOOd friend. You are in our prayers and we area all there for you. I Kimberly practically grew up with him. I use to see him all the time at the golf course and he'd always greet me with a big smile. He always knew i could do something if i put my mind to it and encouraged me to go to a great college. He always thought i was very smart even though sometimes i didnt think so. Im goin 2 miss him and i probably will never forget him. I will always remember the last time i saw him. We went to his house and he was so glad 2 see us. He gave me m&ms and said i could eat as much as i wanted.i almost ate all of them until my mom told me to stop. Bob said i could've eaten more, but i didnt. The last thing he said was "see you later." And i know i will. maybe not now, but it will happen...in heaven.##imported-begin##Martin. Mayra. Kimberly. My only regret is that I didn't get to visit him more. "I will miss you dearly my sweet uncle." Rest in Peace.##imported-begin##Holly Dailey##imported-end##

“ What a perfect tribute to a wonderful man! You sure know how to get a girl's waterworks going again, but in a good way....out of love, and great memories and respect. The picture really captures the man we all knew and adored, and the way I hope we all remember him - a happy man in front of his beautiful home and impeccable yard, in which he enjoyed so many incredible years of love, laughter and fun with family and friends.
