“ Robert "Packrat" Kelly's wife Garnet and I were good friends. When Garnet passed away, he had a tough time dealing with her death. I take comfort in knowing that he will finally be at peace and be reunited with his wife.  
My condolences to his sister and family.##imported-begin##Siggy (Scanlan) Mueller##imported-end##

“ I met Bob a few years back and found him to be one of the most colorful characters I'd ever met. I always meant to make it back to talk with him some more but the time never presented itself. Bob, I built that Panhead we talked about and I named it Pack Rat. I know you would've loved it. Farewell Brother.##imported-begin##Robert Herron##imported-end##
