“ My dad was Roger’s mother’s, Loraine’s (Lory’s) baby brother. We were around them a lot when I was a child. When I was a teen I spent a summer with them. When I got married, Roger wasn’t able to come, but he called me the day and wished me well.

Our later years we were miles apart, but we kept in touch. He was the one who taught me how to Skype on the computer. I miss his gigantic smile, his cheerful “Hello!”, and his big bear hugs!

I pray God will put His loving arms around each one suffering this loss , and give them the comfort and strength they need.
