“ I will miss Rollin. From when I was green and Rollin was on the farm with Fred. Then later working with Rollin. I have many found memories. So smart, but so very humble. I'm am very fortunate to have gotten to spend time with Rollin.

“ It's difficult to imagine no more drop-by visits or pie requests from Rollin, a man who had become a member of our family through many CHS visits. He will always be remembered and will always be missed.

Marty, Heather and Kimi, please know you're always a welcome part of our family, too. We're all thinking of you.

Our thoughts and prayers are with all the Toya Family during this difficult time. Rollin will always be remembered by us as when we were growing produce (watermelons) for the Farmers Market he taught us how and what to do when picking the best melons possible. We were ever grateful for his expertise and help. God bless you all. The Parkers, Alice, Perry, Sue and Karla.

Rollin was a friend for life, hadn't seen him for awhile but each time we got together it was like we weren't never far away from each other. I will never forget the perch ice fishing we would do or when I would stop by the farm and get stuck working for a few hours helping out. R I P my friend

The Toyas were so much fun to work for. They grew some of the best produce I ever ate, especially the watermelons! Well, first we lost Fred, then Danny, now Rollin. Kim, I think of you every so often with fond memories of your family. You folks helped me in many ways and I love you for that.

You are so missed Rollin Toya! Such an honor to have known and worked with you! I will never forget what you said to me! That I was a "fellow country man" 🤔
