“ Ron will be missed by many people. I worked for the carpenters union at the Columbia Basin Job Corps many years ago and I remember Ron as a very caring person. He had a ready smile and I enjoyed knowing him.

“ *To the Robertson Family*

*It is in sadness that I have to send this note to you. Ron was a very dear friend of mine and we spoke many time during the week and months by phone and also on Skype. We used to have lunch or dinner often and enjoy each others company during his stay in California and when he would leave to return to Washington I would miss the company but we often did chat even then to keep in touch. He will surely be missed and thought of for the good times we had and I know that he is in a better place and at peace. Sending Gods Blessing to you the Family and know he will help you through this loss of a good and kind father, brother and grandparent.*

*Gods Love to all*
