“ When my Dad, Dorse Miles Oman, started traveling around the Columbia Basin with his LDS Church duties and building his insurance business he often invited me to accompany him. we arrived in Moses lake in August 1954 and soon, even at my young age< I became acquainted with many dear people.. including the Iverson family. I want you to know of the warmth of friendship and love of life that Ron and his family shared with me. "The Slope" will certainly miss Ron's broad and winning smile until we meet again. God bless all his friends and family.. Love, David Miles Oman###imported-begin##David Miles Oman###imported-end##
