“ Thinking of my cousins and Aunt Patty. I hope you are all doing okay in this strange time. I have so many fond memories of playing in the fields with my cousins on the farm. I am especially thinking of Aunt Patty right now. She has always been so upbeat and kind, full of life, and never aged a single bit. How does she do it? Virtual big hugs right now and hope to share some real hugs in the not so distance future. Best, Dianne Fode
