“ Good Bye to the great patriarch of a great family. Donna and I have wonderful memories of our time in Warden and especially our visits to the Shuler "compound."
We miss the extended Shuler clan and thank you for welcoming us like family when we were there. God bless you all, and you have our deepest condolences on your loss.

Meanwhile, Royce is with the Lord he loves.

“ I was blessed to meet Royce and Ilene when my husband became the Interim minister in 2005 and fell in love with the entire family. We have enjoyed fun times as well as worship and some special family events since and all of them remembered so fondly. We were blessed with a 2nd time as Interim again and experienced several more memories as well as some difficult ones with some illnesses, however even the times in the hospital have some quality memories as well. We've been blessed with their amazing hospitality and will always be grateful for the opportunity to share their journey for a time and came to love them, their children and grandchildren. My prayers for all the family, church family and friends who are grieving this time of separation, but so grateful for the blessings and memories we share! Judy Clarke
