“ Though I am still reeling from the sudden death of my dear friend, Ruben O, I am humbled and touched by his time here with us. For those of you who don't know me, I am Sergio from REC ...We've been friends since the first day we met at work. We started talking about motorcycles and I told him I was going to school to learn how to ride and do my test. I'll never forget when He let me borrow his white motorcycle helmet and gave me a few tips to pass my test, and passed thanks to him. As we all know, Ruben was a kind and caring friend. He never turned down the chance to meet new people, travel somewhere new, or be there when we needed him. His positivity was an inspiration for everyone he met. He was a friend to many, and we will all miss him every day. Thank you for everything, Ruben Ortega. GOD BLESS YOU AND KEEP YOU 🕊
