

Ruben Quezada Jr.

July 27, 1993 - August 8, 2024

Ruben Quezada Jr born July 27 1993 passed away August 8, 2024. He leaves behind his parents Rueben and Michelle Quezada, his sisters Sherale and Deanna Quezada, his brother in laws Michael Adame and Alfredo Covarrubias, and his half-brother Chris Keller. His children Aaliyah, Sophia, Reuben III, AnnaZayah, Amberleya, 5 nieces, 5 nephews, maternal grandfather Ward Cammack, paternal grandmother Guadalupe Quezada, and many loving aunts, uncles, and cousins. He was preceded in death by his paternal grandfather Sixto Quezada Sr and his maternal grandmother Ardith Cammack who we know was waiting for him as he entered back into our Father in Heavens arms.

Ruben's younger years were ecstatic and spontaneous. He was always involved in fun random things, from football to baseball, and wrestling to boy scouts. He made friends easily and to this day some of those friends he still remained in contact with. He was goofy, kind hearted and compassionate. His laughter was a one of a kind and you knew exactly when our Ruben entered the room with that loud deep voiced Y00000000!!

Becoming a dad for the first time at such a young age, his daughter Aaliyah would become his first little buddy in life to take his last name which would eventually lead to him being blessed with four more to call his.

He loved working on outside projects with his dad and was a huge mama's boy. His best friend his entire life was his sister Deanna, and his commitment to helping and protecting his sister Sherale in any way he could was part of

his nature. He wasn't just an uncle to all his nieces and nephews, he was their friend and their homie and became a silly kid around each of them.

This man was very special and he loved us with all his heart during the short amount of time God loaned him to us. We are going to miss him greatly and will wait patiently for that special day God allows us to run and hug him again.

"Weeping may endure for the night, but Joy comes in the morning" Psalms 30:5 10 S GAL

“ Ruben,

You will be deeply missed you were my husband's best friend since you two were kids it's so very hard for him right now to understand and comprehend what happened to you we have been trying to get ahold of you for the longest time with no luck you will be deeply missed and remembered by us sending prayers to your family and your beautiful kids I know the pain of losing someone you loved or cared for will never go away but we are forced to deal with it.

we will miss your funny moments and when you and Jaime would always hug each other play games together and rough house with each other and when we all went to the park and chuckie cheese and you let us stay some nights at your place so we didn't have to pay for a hotel. You were the sweetest. Thank you for being an amazing friend to my husband. we will never forget you Fly high Buddy 🕊️
