Ruth Darlene Peden 03/08/41-02/05/2021

Ruth was born to William and Ruth Hartley on March 8th 1941, in the Ozark Mountains of Ava,

Missouri. As a little girl she shared a 2 room cabin in the mountains with her parents and

siblings. She was the youngest of 13 siblings and was the sole remaining member of her family.

In addition to her immediate family she was preceded in death by her husband Bob, a son, a

granddaughter and grandson. She leaves behind 3 children , 5 grandchildren and 2 great

grandchildren. She made a family with her husband of 47 years Robert Reid Peden. Together

they raised 4 children in Eastern Washington, etching out a living and leaving a legacy of hard

work, dedication to family and an iron will that would permeate the lives of her children and

grandchildren. Darlene was the matriarch of the family and a homemaker at heart always doing

her best to shower those around her with affection through family meals. She gifted her family

with a love of southern fried cast iron cooking, the largest collection of country

crock tupperware
in Grant county and fond memories of her tenacity and spunk, shared through
stories of her
childhood in the mountains, bar fights in her younger days, and accidentally
carrying a gun into
Seatac airport. As a grandmother she doted on her grandchildren with crafts,
gardening, book
reading and endless laughs. In her elder years she was unabashed by her
colorful choice of
words and always provided those around her with a laugh. She spent her last
2 years as a
resident of Golden Age Senior Living and was cared for diligently by the staff.
She will be
missed by her loved ones but there is gratitude knowing she was welcomed
home into the arms
of Jesus and those who went before her.
