“ I miss you so much! I think of you everyday., I know you would not want me to sit around and cry all the time, but it seems like that is all I do. The only peace I have in my heart is knowing that you are in heaven with daddy, Tim and Uncle Les, and all the other family and friends that are with you now. I hope you know how hard I tried my best to take good care of you after dad passed and how much I love you. You will always be my guardian Angel. I love you with all my heart and soul. Walt and Helen, she loved you dearly and I want to encourage you to talk amongst each other remembering the good, bad, and funny things that will keep her memory close to your hearts. “ I would like to send a card to the Bickel family as I am saddened by the recent passing of such an amazing woman. Ruth volunteered in my third grade classroom at Longview Elementary and was such an inspiration to the children with whom she came into contact with.

Could someone please e-mail me their mailing address?

Thank you!
