

Salomon Serrano

April 27, 2023

Salomon Serrano aka “Salo Malo” was born and raised in Moses Lake, Washington, and was 42 years young. Salomon went to Moses Lake High School, studied at Big Bend Community College, and later completed his HVAC training and certification.

From a very young age, Salomon was always drawing and doodling, later he became an accomplished artist and specialized in Chicano urban art and calligraphy. Salomon often did free-hand art on his sneakers and other surfaces. Salomon enjoyed designing his own stationery that he would then give to friends and family.

A proud accomplishment of Salomon’s was that he was a founding member of the Lakesiders Car Club. Salomon helped to create the logos and artwork used by the club for merchandise.

To know Salomon was to know his love of cars and in particular his cherished Black Beauty, as well as his most recent vehicle Champagne Campaign.

Salomon was an avid foodie and cook and he will be remembered most for his food porn posts and “shoefie” posts as well as his vast body of artwork.

Salomon was predeceased by his father, Jose Cortez Serrano. Salomon is

survived by his 5 siblings Briya Leung, Irma Gloria Girard, Jose Serrano, Asaneth Serrano, Noemi Salazar, Mother Rafaela Rodriguez Serrano, and many cousins and beloved friends.

Salomon had a favorite scripture:

Romans 8:38,39

For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, 39neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord.
