

Sandie Devine

May 19, 1963 - October 1, 2015

Sandie Jo Devine, 52, Moses Lake resident passed away Thursday, October 1, 2015 at Sacred Heart Medical Center in Spokane, her family at her side. Sandie was born in Portland, Oregon, on May 19, 1963, daughter of Ronald and Deborah Chapple. She was married to Kurt D. Devine and they have made their home in Moses Lake for many years. Sandie was the Director of Nutrition Services at Samaritan Hospital where she worked for almost 30 years. She had a love for Christ that she shared with the children of her Sunday school, Wednesday night classes and church family at the Moses Lake Presbyterian Church where she served alongside her husband Kurt as a Deacon for many years.

Sandie graduated from Park Rapids High School in Minnesota then went on to attend school at North Dakota State University. She moved to Moses Lake in the 80's to work for her family on their farm. There she met Kurt, the love of her life, and they started their family who still remains in Moses Lake until this day.

Sandie battled stage IV breast cancer for 3 years. She started her battle with cancer in early 2012. She relied on her strong faith and the knowledge of her doctors to get her through this grueling time. Sandie never once wanted to give up. She always told her doctor that she was going to fight it however she needed to. Known for her kind heart for everyone around her, Sandie never spoke negative about anyone, was always remembered for her beautiful soul and infectious laughter. She had a smile that would light up any room and a

servant's heart for all those around her. Sandie could never say no to anyone. The life of the party at all family reunions and gatherings, Sandie loved to dance and would drag everyone out on the dance floor with her. You would find her leading the congo line.

Sandie had a love for Gonzaga basketball and Las Vegas. She and Kurt would travel to Las Vegas to watch the Bulldogs play in the conference tournament. Between games she would partake in her favorite past time, slot machines. Sandie was the luckiest gambler around. She would spend time with her family up at the casino, teaching her daughters, mother, and step-father how to play her favorite games.

Survivors include her husband, Kurt Devine; 3 daughters and 1 son-in-law, Tashauna Devine, Heather (Austin) Massart, and Cierra Devine; mother and stepfather, Debbie and Von Cunningham, and father, Ronald Chapple.

Brothers Jamie (Doris) Miller, Scott (Jodi) Chapple, and Vince (Ladeana) Chapple.

“ We are so sorry for your loss. Sandie was an inspiration to us both. Her gentle "get it done attitude" and the way she was always ready to help were among the many things that made her special to us, not to mention the determination and grace she exhibited in her fight with cancer. God created such a special person in Sandie and we are better people for having known her. Our sympathy and prayers to you all at this difficult time.

“ Sandie and Kurt allowed an unknown family from Texas share in one the most important days in their family her daughters wedding. Selfless, loving, accepting, that is what I know of the Devine family and Sandie.

Sandie exuded love and strength in every moment that we were blessed to spend with her. Her life and her family were and continue to be a gift to me, my family and the community around them.

Thank you Sandie.

“ *Just thinking about Sandie, Kurt and the girls. I think it's awesome that Kurt and Sandie raised the girls to know who Christ is and showed them how to worship and put God first. This country needs more parents like them. I know how painful this is for you and I pray you all keep looking to your God. He has you in his arms and in his heart. I know that you all know that. Sandie was such a blessing to so many people so loved and will be missed. Sandie until we meet again ❤️.*

“ *To the Devine family: My heart breaks for your loss. Sandy was one of those very special ladies that we don't have the opportunity to meet very often in a lifetime. She was a Beautiful Soul with a Beautiful Smile and a huge Heart. She was a valiant Lady who fought that disease hard. She never complained even though I am sure she had reason to. I guess God just needed that Special Angel and that's why he picked her. When we heard at the hospital yesterday that she had passed the tears and sadness were evident how much we all loved and adored her, we will miss her daily. God Bless you Beautiful Lady, God Bless you.*

“ I remember Sandie and I discussing kids at Tall Timber and the fact that her birthday is less than a month after mine! She just had this great smile and joyful, soft attitude that you just had to love her!! I will miss her smile and joyfulness even in the hard times, she was always so upbeat and trusting in God

My life has been so blessed to work with Sandie for many years at Samaritan. Every moment I spent with her was sprinkled with her sweet loving spirit and care for others. She was the "candle" that could lighten up the dark places. She was the smile that would brighten one's day. She was sweet and genuine and a friend that will be so missed and never forgotten. My heart hurts for her darling family left behind, but may the precious memories of her life, bring an abundance of comfort and love to you all.
