“ *Today my heart goes out to Sandy's only sibling, Rich Swanson and his wife Chris and their family. It is difficult to imagine the sadness of when a passing of this sort occurs. Peace be with them.*

*I had the sincere pleasure of working Sandra at the Samaritan Hospital Laboratory. I quickly learned that I was working with a true "People Person" her patients loved her... She didn't like having to personally "poke holes" on babies or children, but she did it to ensure their care. And she was especially kind to their anxious parents and was wonderful at placing our more senior citizens at ease also. She maintained her compassionate attitude throughout her tenure working with our Laboratory Family and became a close friend even after we both left our employment there. I will miss her sweet smile and laughing, compassionate eyes.*

“ My heart is heavy to hear of the passing of my niece Sandy. It was always a pleasure to see her and her family on my trips to Moses Lake. We always valued her and her families trips to North Dakota and to see them at our family reunion. She was a blessing in many peoples lives. Now she is in the arms of Jesus and her family in Heaven. Peace be with Paul and daughter Holli and her dear friends and relatives. So thankful for her life.

Uncle Gordie

“ Memories flood our minds of a wonderful former neighbor, fellow camper, high schoolmate, and hydroplane race enthusiast. We knew her first as Sandy Swanson, then met her husband Paul, and finally her daughter Holli, who grew up with our Claudia. Her wonderfully dry sense of humor (we always recall her reply to a telephone call trying to peddle some book or magazine-"I don't read"!). Her strong faith and walk with Jesus. Sandy will be missed, and our prayers are with Paul, Holli, and family.

JG

I knew Sandy because I am a good friend of Paul and Holli. I found her to be a nice person and devoted to Paul and Holli. May God be with them forever.
