“ Sandy was was one of my very best friends we camped together with all our children. Our memories will always be there even though our lives grew apart. Sandy, Judie, and I took our nine children to many camp outings, even took them to Yellowstone. What a trip that was! We played cards till all hours of the night and spent many Thanksgiving dinners at Sandy and Roy's with all our children. I do miss those days but there again those memories will always be with us. I am so sorry we will not be able to attend the service since we will be out of town but our thoughts will be there with all of you.
