“ *The memories I have of you will stay with me forever I hope I will be half the woman that you were to your children and grandchildren. I remember watching the TLC channel with you till the wee hours of the morning and playing solitaire with you. You were the best role model a little girl could ask for. I love you grandma. Gone for now but never forgotten*

“ *Oh the memory's I have of time I spent with you, you where such a Great Aunt that you where more like a mom. My Heart Broke again when I found out that you had passed away. But I know you are up there Giving your brother a peace of your mind like the rest of want to do but have to wait. I am also glad that you are no longer having a hard time breathing and no longer in pain. I Love and Miss You Aunt Sandy.
