“ *"La Tia Santa". What can I say? Growing up in Warden she lived close by and she was always so kind to all of us. She was a very Special Lady. Going back home to visit the old homestead in Warden, I would always see her in Church and she always gave the best hugs. Tia you will be missed.*

“ *Grandma Santa, even though we were not blood related, you have a special place in my heart. I remember all the times you would come over to my mom and dad's house. Those are memories I will always keep close to my heart. I will miss you and keep you in my prayers. Rest in peace. Diana Alamos.*

As far nack as I can remember you would come oick me up and we would go shopping and have lunch at your favorite place "Eddie's" and just talk. I will miss our talks the most.
