“ So many memories spent with all of the DeLong's growing up. It was always fun for me to go to Irv & Sharon's house to play with Denise & Dinky (sorry, I'll always remember you as Dinky!) Your mom is no longer suffering, so happy that she has been released, but sad that you have lost her presence with you.

“ We will miss her very very much, when we came over to Moses Lake we stay with her & the family, when we pulled up, & there was Sharen poking her head out the door, she say hi! there you are, :) We have other found memories of our time with her, Huckleberry picking, this one time it was just me & Denny & Sharen, we had a good time & it was funny too :) Sharen was a good sister to all her siblings, and she was like the mamma Hen over all of us, she always call me & Denny, to tell us all the family news, and sometime just to see how we were doing, When Denny got sick & in hosp, he was ICU, the doctor didn't think he would make it, well Sharen was here right away she jumped in her car and drove all the way to Tacoma by herself, to see her Baby Brother & to be help to us, she went up to see Denny, and spend some time with him but he was in a coma so we just sat by his bedside..., she bought KFC for me & my daughter & Grandson Jacob, that was so nice of her. I'm Thankful she came in our time of need, Thank Sharen for all you have done for us, RIP Sweetheart, <3 We Love you with all of our Hearts Denny & Jan <3 <3
