“ *So sorry to hear this sad news. Sherill was such a beautiful person, good friend and neighbor. She was always quick with a hi and kind word. Doug and I would run into her quite often on our walks, and when she would walk by our house. I loved her little Forrest , which she told me was her special peaceful place. Our children were so excited when she invited us and them to her Christmas party. They felt so special. She was such a kind person and will be truly missed. Thinking of your family during this difficult time. Sincerely , Doug and Vicky*

“ So sorry for your loss! Such a beautiful and loving soul! Even on her "bad" days, she always greeted us with a smile, and made sure we knew how much she appreciated our work! She wasn't a customer, but rather a good friend! She will be missed by many, though I am sure she has touched many hearts, and won't be forgotten!
