

Sherry Dompier

January 28, 1956 - September 15, 2017

Sherry's Story

Sherry's journey began January 28, 1956, to the proud parents Lyndon Fred Barkle and Ruth Ellen Sandall. She was born and raised in Moses Lake , number seven, in a blended family of eight. She grew up in a loving home, and graduated from Moses lake in 1974. Shortly after graduation she moved to Spokane with friends where she worked at a nursing home briefly, before returning to Moses Lake.

Shortly after returning to Moses Lake, she reconnected with Bob Dompier through the Jeep club. He soon became the love of her life and her best friend. They married in 1979, and began their beautiful family in 1983 with son Seth. Surprising everyone, Zach quickly followed in 1985. Sherry loved her boys fiercely and embraced all of their hobbies and sports. She never missed a chance to support them in every adventure they took. From wrestling tournaments, to demo derbys, she attended every single event, even if it meant driving over a thousand miles to get there.

Sherry knew how to cultivate a friendship, but most of all, she knew how to nurture a relationship. She always had the perfect combination of sincerity, trust, and understanding, that made a person feel at home. Sherry was an amazing friend, and the perfect partner in crime. Not only was she warm and thoughtful, but she was playful and mischievous. She consistently took part in local fundraisers, and recently joined the Lioness Club. She was selfless, and

enjoyed volunteering her time to others, as well as giving gifts to friends and family. Her sons display those same wonderful qualities that she was known for. Seth is genuine and trustworthy, and Zach is witty and unbelievably generous, just like their mom.

She was proud of her career as a purchasing agent for over thirty years, and her bubbly personality brought joy to all those she worked with. Her larger than life smile and personality will live in the memories of her friends and family. It is hard to forget someone who gave us so much to remember.

Survivors include her husband, Bob; two sons, Seth Dompier and Zach (Sara; step grandchildren, Azaray and Anthony) Dompier; three brothers, Randy (Susan) Barkle, Kevin Barkle, Reo (Patti) Barkle; two sister, RuEllyn Benedict, Joyce (Don) McGregor.

Sherry got her wings September 15, 2017 at Providence Sacred Heart, surrounded by her loving family and friends. A celebration of her life will be held at 2pm, Friday September 22, 2017 at Moses Lake Presbyterian Church, 1142 West Ivy. Please sign the online guestbook or leave a note for the family at www.kayserschapel.com Arrangements are in care of Kayser's Chapel & Crematory.

In lieu of flowers, donations can be made to the Lioness club for a scholarship in Sherry's name.

I was so very blessed to have worked with Sherry at REC for so many years, Sherry was always the smiling face and great laugh that could make your day. Bob and the boys had also become part of the REC family with all the work they did here. Sherry you will be truly missed by so many people but we know one day we will meet again. Love you Sherry!

“ *Bob, Seth and Zach, I was very shocked to here of Sherry's passing. I always remember her bright smile and her infectious laugh. She was always one of the most pleasant people to work with, especially during difficult situations. I truly feel she (and the three of you) was a friend, not just a co-worker. I will miss her.*

“ I am in shock by Sherry's passing. My time with Sherry dates back to the 1970's. I worked at Grange Insurance with Jerry Phillips and she later took on that position. We exchanged holiday cards for many many years and eventually busy lives caused us to lose touch. Even so, I have never forgotten Sherry. She definitely had a great smile, a warm heart and an infectious laugh that I can still hear to this day. She will be missed. My heart and prayers go out to all of her family at this difficult time.

“ Bob and family, I am so sorry to hear this news. I remember working with Sherry when we had the Grange Insurance Agency and she worked in the Grange Claims Office. She was always so professional but had this pleasant way of working with us as agents and the clients we served. Although I haven't seen her for awhile, I will miss seeing her cheerful face at Safeway. You are all in my thoughts and prayers.

Bob and family, I grieve with you over the loss of Sherry, who had become so very endeared to me over the past four years. She spent numerous dollars on cards, letters, gifts, and postage stamps as her way of bonding with a sister 23 years older. I saved and cherished all of those items as I felt her sincere love for me. She was genuinely loved by so many people, because she was so caring and generous in sharing herself and her means with others. She rated at the very top of the minds of those who knew her as a friend and companion full of fun, love, and compassion. We should spell her name "Sharey" because she shared herself with everyone so passionately. No one could have been loved more! May God be with you who now face life without her. Randy and family and friends of Sherry. This is so painful to learn of Sherrie's untimely passing. I always admired your family and got to work with your dad out at U and I while i was getting ready to go overseas for missionary work. I gained additional respect being able to follow Lynn's example of dedicated work. May you be guided and kept as you face this temporary separation from your dear sister. I have posted Sherrie's tribute on our Facebook connection at... Moses Lake High School 60s - 90s and friends. There are already several beautiful comments from her admirers there. ...David Miles Oman
