

Shirley Ann Hansen

March 18, 1944 - January 15, 2018

Shirley Scott-Hansen passed away peacefully Monday morning surrounded by her husband, her children, and beloved friends Dave and Betty. Shirley was born in Snohomish., WA on March 18, 1944. She was the apple of her Dad's eye. Her Dad Noel Scott and Shirley's strength came from her Mother Geneva Scott. The family moved to Moses Lake shortly after her birth, graduated from Moses Lake High School and was loved by many friends.

She had several jobs and adventures but then settled in the Everett area. Shirley was hired by Boeing and later helped design the interior of their Aircrafts, which included Two Air Force One planes. Shirley was gifted with color and interior designing. She retired from Boeing in 2002. Again, she met several friends and she was well loved.

Shirley then moved to Moses Lake, met and married the love of her life, Greg Hansen. They traveled to many locations and attended several family gatherings. They resided in Mae Valley and enjoyed their property, gardening, watching rabbits and birds, and cabin #7. The property that truly is home sweet home. Shirley loved to entertain and enjoyed opening their home to company and family. More than anything she loved to make people happy and her laughter was infectious. Shirley was an avid Seahawk fan from the beginning! She enjoyed the Mariners also. She also belonged to the Eastern Star in Everett.

Shirley has three children Roland Middleton and his wife Susan, Rondo Middleton and his wife Kathy, and her daughter Marcia Shortridge. She had three stepchildren, and seven grandchildren: Joe, Brittany, Paul, Jessica, Noelle, Mekhi, Jayana, and one great-grandchild, Ian. Shirley has many cousins, nieces, nephews and many extended family members.

Shirley's mother is Geneva Scott. She has two brothers, Rondo Scott and his wife Peggy, and Roger Scott. She was preceded in death by her Father Noel Scott, one brother Al Verlinde and one Sister Barbara Jean.

“ *I am so sorry to hear of the passing of my cousin Shirley. I have very few memories of her..as we only saw each other when we were little..I can remember when we lived with Uncle Noel and aunt Geneva when Shirley and I were very small...My mom Jewell had pictures of everyone and Shirley was such a cute little girl. I have heard over the years of her amazing career..I know she will be missed by all that knew her..My prayers go out to the family Glenda Hogan Nichols*

“ *What can I say about my Aunt Shirley? There are so many things that come to mind when I think about how special she was. We had a lot of great times together. I was lucky enough to be able to live with her for a while when I was younger and we had some fun times. I remember those early morning talks and all the laughter we shared telling stories and reminiscing about things. Her laughter was contagious! Those memories will be with me forever as we say goodbye to an amazing woman. All my love to the family. She will be greatly missed!*

“ Aunt Shirley was my “fun” aunt who let me stay up late, watch TV and taught me how to play poker with Aunt Judy. She was relaxed and casual and was always happy to see me and others! I loved her and will miss her very much!❤️
