“ I was in U of W recovering from liver transplant. I have very fond memories of her. She and my mom Ilene Moog were very good friends.

“ Sweet Shirley. They were friends of my grandmas and we were fortunate enough to go to church with both her and Bill. Always the sweetest lady. May your sorrow be brief and your memories long.

“ Shirley and Bill, along with their 4 children were a wonderful part of my high school years. Linda and Glenda were active members of our youth group at Moses Lake Free Methodist Church. Shirley always had a tender heart, a ready smile and a helpful hand. She was a very special lady!

“ *To loose a family icon is heartbreaking; my prayers are with you all today. Dear Miss Shirley was so special to me during this last year. The yellow candle shows the life she gave me every time I saw her and the good conversation we had. She and my Dad (Ira) got to be such good friends and shared meals together. Dear Miss Shirley we will miss you so much but understand that the Lord needed you now.*
