“ I most remember Pinky as a loving family member and fine business woman. I grew up with Jeff and Brad and never made the connection to Pinky until Barb told me on one of many shopping visits to the shop for my mother, Joan. Many times Pinky had helped my choose items for Mother's wardrobe. I wish to pass on my condolences to Jeff and Barb and Kim and all her family. My late mother and I thought the world of Pinkys. Our world was a more beautiful place thanks to Shirley and Pinky's house of fashion.##imported-begin##Gary Nichols##imported-end##

“ Dear DeShaw Family,  
Your loss is also our loss and we will be praying for you all in this time of grief and sadness.  
Pinky helped me prepare for my trip to Japan as Miss Moses Lake and Miss Washington and I got to go in and visit with her and her sister this March. I am glad I made the stop. Jeff's mother went to school with Pinky and had many fond memories of her.  
Sincerely,
