“ We're very sorry for your loss. Skip was a very kind, quiet man who treated us both so well. He will be missed, but like Sonia said, Skip and Toby are probably at Heaven's fishing hole having a great time. We miss them both terribly. Love to the family.

“ Skip was the kindest, most gentle old duffer I had ever met. He loved my children, never missed a holiday, the chance to support their school activities, or just a visit while they played outside. His smile and laugh were something I looked forward to each day. RIP Skip, we will miss you.

“ He was a loved father, grandfather, and uncle. He was and forever will be my uncle Skip. I'll never forget hunting seasons, special talks, and the laughter we shared.
