“ To Shonn and family, I don't know if you remember,Shonn, but I was your 2nd Grade teacher. I remember you, and your father. I graduated with your dad in Ellensburg Class of '66. In 5th grade I think I was talking to the girl sitting next to me so the teacher moved a boy next to me. It was your father. I think we talked, too. I will keep you and your family in my prayers. I still miss my daddy. May God comfort you.##imported-begin##Linda Gleason##imported-end##

“ So sorry to hear of Stan's death. I graduated from EHS the same year as Stan. We played football together and 'hung out'. I will never forget some of the nights driving around E'burg in Stan's truck, doing what teen-agers do. Great guy, I'm sure he will be missed by his family. Karen (Morris) and I give our regards to the family.##imported-begin##Lloyd Webster##imported-end##

“ I was so sorry to read of Stan's passing. I graduated from EHS in the class of 1965. Stan was the class behind me. We played in the band together. He was a very good trombone player. I played the flute and sat right in front of him. He was the nicest guy to everyone. I remember he ran around with Tom Bull, Denny Paul, Jerry Williams, Larry Nickel, and many other nice guys. It is so sad that Stan died so young. Not fair. It sounds like Stan had a very nice family. God Bless you all. Sincerely, Chris Rosbach##imported-begin##Christine Sorensen Rosbach##imported-end##
