*I would like to share one of the poems from this book, A Collection of Love Gifts'.....*

*If we did not go to sleep at night  
We'd never awaken to see the light,  
And the joy of watching a new dawn break  
Or meeting the dawn by some quiet lake  
Would never be ours unless we slept  
While God and all his angels kept  
A vigil through this "little death"  
Thats over with the morning breath-  
And death, too, is a time of sleeping,  
For those who die are in Gods keeping  
There's a wonderful "sunrise" for Susan's soul,  
For LIFE and DEATH is Gods promised goal-  
So trust Gods promise and doubt him never,  
For only in death can we LIVE on FOREVER!*
