“ I have known the Kempers since i was in first grade in Mrs. Boice's class in the new Garden Heights Elementary. We didn't even have grass except right in front of the office. David was with me along with three other David's in her loud classroom.. mostly because of us. I remember Ted through the years and have admired the Kemper's knowledge on many subjects. I saw Ted 15 months ago at the Senior Citizens Center when Morgan Hansen and I were buying golf gear for my all day lesson on the links and driving range. Teddy looked great then but told me he was having a few health challenges. I am sorry for your loss as a family and particularly to David, my friend from so long ago, with the loss of his brother. God bless you all... David###imported-begin##David Miles Oman###imported-end##

“ It was very shocking to hear of your death Mr. Ted Kemper. Knowing how strong of a man you were, we all thought you'd out live us all. Even though you were a strict man you were direct, forward but yet also kind most times. You will be missed###imported-begin##From the Hernandez Family next door###imported-end##
