“ *Albert, Our hearts go out to you and your family for your loss of Terence. I only wish there was something I could do or say that would make the hurt go away. Please know our thoughts and prayers are with you.*

I will always remember Terence's great smile as I was fortunate enough to see him quite often during this harvest season. He was so pleasant and had a fun personality that he just left you smiling when he went on his way to his next adventure.

We are so sorry for your loss.
