“ My heart felt condolences go out to the Martinez family and Tony. I Wil miss my friend dearly. It was always nice to see her smile or just to chat with her. I always think of her when I see cards and a big jar of pickles. I got the first one out of a new jar.  
Thank you for being in my life!

“ Theress and I really became close after my Dad died in 1991. She became my 4th sister. We visited a lot and she embraced my husband's family. She and my mother-in-law bonded over ways to save money. She stayed at our house and would make fried chicken....it was so good!! We all laughed so much over silly stuff. We miss and love you so much. Love, cousins, Bill and Carol
