“ *My cousin Theresa was a Free Spirit. I felt that kindred with her, this past year as we got to know each other better. She was always kind, positive. supportive and funny.*

*She stayed with my father, some years ago, and we thank her so for being there for him!*

*Theresa is a beautiful Soul, with KINDNESS & LOVE radiating! I love you Theresa! Theresa is beloved by so many, here on Earth, her siblings - Joe, Billy, Mary & Jeff. Her Mother & her children, and so many cousins and extended family & friends.*

*I am glad her Soul is FREE now, & I know she is watching over us all, in the company of our loved ones gone before her.*

*I love you Theresa!!*

*Love Eternal, Cathy*
