“ She was one of the hardest working, toughest lady's i knew. She could outwork every girl at work. I brought a 10lb carp over to her house and she was so excited. She could make the best egg roles. Rip... shelly.

“ Sahn was so amazing to me from the first moment I met her.. she opened her heart, home, and her cooking to me. I will never forget her cooking. Anytime she cooked and I was visiting she would make 2 of everything, I have an allergy to fish, she took the time to make pho, pork and rice, spring rolls, or whatever without any fish, fish sauce and made sure that every knife, pot, and cooking tools were washed to make sure it all would be safe for me to eat!  
Sahn.. I will miss your laugh, your smile, the way you teased Lee and pinched him with your toes. I will miss your food and the love and warmth you gave me. You had one heck of a life, now you get to rest in Heaven.  
You will always be in my head and heart. Love your #1!!
