“ I was blessed to have shared 17 years with Tommy and those years gave me so many memories I will hold close to my heart ..We shared laughter, love and countless moments & even though life took us in a different direction I will always treasure the time we had together & the bond that we shared

Tommy will always hold a special place in my heart. My condolences go out to his family and friends May they find comfort in knowing how deeply he was loved. May you now be at peace reunited with your Mom, Dad , Larry and Melvin, surrounded by love once again, you will never be forgotten.

“ Tommy was a dear friend at Chief Moses and MLHS. Condolences to the Brice family, Billy and Brenda and others. What a great guy Tommy was. He was one of the kindest humans -- my goodness. I have many fond memories of Tommy: football, the weight rooms, and just hanging out. He was extremely funny in the best way. One funny memory is of my father asking Tommy if had broken his arm. This was because my father mistook the oversized muscle of Tommy's wrist as deformed from an injury. The photo below shows us hanging at his parents home on Hawthorne Street listening to vinyl comedy records of Bill Cosby and others. I haven't seen Tommy in years; I already miss riding this planet with him.

“ I want to say Tommy was the hardest worker at Americold. I loved visiting with him. Talking about old movies, Bull riding and how kids now days don't have respect or know How to work. Sometimes he would talk about family and I just listened. If he had car problems I would make sure it was going before I left. He was the kindest person I had the pleasure of meeting. I will always think of him and the 10 years we worked together
My heart goes out to his family ❤️👍
May you rest in peace Tommy 🙏🙏

“ Rip Tommy no matter how busy we were at work you always had a good attitude, a smile, a high, a hug, which I will never forget my first day you walked up and gave me a hug and said welcome aboard. I always love to listen to your stories of the people that previously worked to Americold and the stories that go on and on you will definitely be missed.

“ I worked with Tommy, along with his brother Larry, at Americold (Terminal Ice). Tommy was a very friendly, good worker. I remember him buying another worker's car, A Barracuda. That car just fit his personality.

RIP Tommy along with Larry and Mel (another great man) My sympathies to Billy and the rest of the wonderful Brice family.
