

## THOMAS PATRICK GREEN

October 7, 1950 - March 9, 2025

Thomas Patrick Green, a cherished father, grandfather, brother, and friend passed away peacefully on March 9, 2025 with family by his side.

Tom was born October 7, 1950 in San Francisco, California. He moved to Washington with his family when he was a young boy and grew up in Royal Slopes, outside of Othello. He attended Othello High School where he enjoyed playing basketball and running track. After he graduated in 1968, he went on to serve in Vietnam where he worked on army helicopters. It was during that time that Tom found his passion to be an electrician. When he returned from Vietnam, Tom worked on farms and fields in the Columbia Basin servicing pumps and circles as an irrigation electrician.

In 1976, Tom married Kim Hilderbrand, and later added to his family with his two boys, Jason and Tyler. Tom and Kim were generous with their time and gave to the local sports community where Tom coached youth baseball, basketball, and soccer. He spent his free time camping, supporting Jason and Tyler in their activities, and spending time with family. Tom went on to open and run Green Electric for over 25 years, a business that reflected his hard work, expertise, and love for the outdoors. He would continue working on farms around Moses Lake until he retired from Skone Irrigation in 2024.

Relationships were always important to Tom. Whether it was golfing, camping, playing pickleball, watching his beloved Seahawks, or just sitting around the kitchen table talking, as long as he was with those he cared about Tom was in his happy place.

Tom was known for his quiet but strong demeanor and kind heart. He was patient, generous, and always willing to help those in need. He accepted everyone and never dismissed or passed judgment on anyone. He was the type of friend everyone wanted.

While Tom was a great friend to many people, he was an amazing father and grandfather (PopPop). His greatest joy was spending time with his family, especially his four grandchildren. He never missed a birthday, holiday, or celebration and loved supporting his grandkids in their sporting events, school concerts, and performances. He loved being a grandfather and to his family he was the best of the best! His presence in their lives will be greatly missed. Tom is survived by his two sons and their spouses, Jason married to Tiffany, and Tyler married to Jaime. He also leaves behind four grandchildren: Zoey and Zander (Jason) and Averie and Declan (Tyler), and his sister and brother-in-law Anita and Doug Muscott. He is preceded in death by his wife of 44 years, Kim, and his parents Thomas and Marie Green.

A celebration of Tom's life will be held Friday, April 4th, 11:00am at Moses Lake Christian Church at 200 Yonezawa Blvd.

“ Tom was a very caring person. He took his profession and family very serious, but always with a sense of humor. Over the years Tom and Kim volunteered many hours to MLHS and the community. They touched many lives along the way. Tom will be missed by many but not forgotten. Our thoughts and prayers go out to the family especially Tyler and Jason. RIP my friend.

“ *You will never meet a more caring and giving man than Tom Green... I will miss the jobs we worked on and the times we chatted.... Me and Tom called each other often... when he would call me, caller ID showed it was him.... so I would answer Tom Green Electric or act like I had no idea who was calling... It would get him flustered and he would apologize for calling, hang up and call me back... I would answer Hey Tom How you doing... He would laugh and say you got me again.... He returned the favor at times... I'm sure gonna miss Tom.... May the Lord Bless his Family and Friends with the great memories that I have of him.... Tom... you get to Love on Kim again, your favorite thing to do.... You'll never be forgotten....*
