“ Thomas...aka Hammbone... you were such a caring, compassionate, loving soul. Your smile lit up the classroom the minute you walked in and that laugh was infectious. You never failed to amaze me with your gratitude towards your peers and those you came in contact with. You will be missed greatly young man. You are loved more than you'll ever know. Rest in peace Hammbone.

“ Miss you Thomas! You and I had aquatics together at the highschool. I let you borrow my body wash a couple times. Sometimes we sat on the bleachers, silent and on our phones. Its too bad we never broke the ice and became close friends. Anyways much love & prayers for you and your family.

“ *Oh Thomas. You are already greatly missed. I loved your laugh while we were picking up garbage at the fair. I will continue to buy "smart" water, because, after all, it makes us smarter! Your wit, the twinkle in your eye when you were happy I will never forget. Your determination on the wrestling mat was incredible and you always worked your hardest and kept the other boys going when needed. Rest easy, love.*
