We will miss Tom even though we did not see you and Tom very often. We feel like Arizona family and will never forget our great times together. We will always keep in contact. Tom was always cooking and Carl was the taster. Carl loved the times when they went exploring in the desert. Lots of good times we all had together. Keeping the family in our prayers..Love Tanya and Carl

*I met Tom many years ago along the HWY in Moses Lake when he stopped me on a tractor. Going forward when he had live stock on the freeway from a mishap/wreck, he'd call me & I'd go give him a hand rounding them up. We became good friends and for the last years I got to see him here in Buckeye AZ & spend the day with him reminiscing & sharing those memories. He will be missed. Tom Hansen*

*Dear Judy and Penny, I was so sad to receive the news of Tom's passing. I have so many good memories of the days before Shelley died. You and Tom were such wonderful parents to her. Tom always wanted to talk about her when we would run in to each other. I admired you two so much. I wish for you good days ahead, and peace. Mara Hansen*
