

Vera Sperr

January 20, 1932 - October 10, 2020

Vera Sperr went to be with her Lord and Savior on October 9th, 2020. VeraMae Mary Ann Fischer was born January 20, 1932 to Harry and Bertha Fischer in Holloway, Minnesota. She and her husband Clinton G. Sperr met at Grandma Sperr's Easter dinner in 1950. They were engaged a year later and married on March 15, 1952 at St. John's Lutheran Church in Holloway, Minnesota. Clint and Vera celebrated their 68th wedding anniversary this year. In December of '52 Clint was stationed at Camp Gordon waiting for his orders to Korea. Vera, pregnant and wanting to be closer to family moved in with her sister Vera in Elk River Minnesota. 1953 their most awesome son Alan Mark Sperr was born and shortly after his birth Vera and Clint were on the move again to Minneapolis where Clint was enrolled in electronic school. On February 6, 1955 Cathleen Mae was born. Vera and Clint moved often with Clint's job at IBM during these times two more children were born, Paulette Jean on October 28, 1956 in Syracuse, NY and while on a Thanksgiving trip, Tamara Sue was born November 28, 1960 in Minneapolis. Vera who became a licensed hairdresser in 1950 never stopped learning new styles and perfected her trade at many beauty shops, Cora's and Katy's to name a few. Her love for the trade led her to become an instructor and was a favorite to many of her students. Her last hairdressing job was at Brookdale Hearthstone Assisted Living where she loved doing the elder's hair and chatting with them. Vera had a love for cooking and baking; her dishes were loved by all. Sewing was another passion of Vera's and she also enjoyed

playing cards, dancing and going to potlucks anywhere, anytime. Her favorite pastime was talking on the phone with her children, her sisters, extended family and with the numerous friends she made throughout their travels. Vera was also an accomplished fisher-woman, her and Clint could be seen out on the lake in their boat where she would out fish him. They were snowbirds and went to Mesa, Arizona every winter where they made many life-long friends. We will remember our Mom for her great strength and faith in God. Everyone who knew Vera will remember her for her caring, compassionate nature and her sense of humor. She was the family planner and always coordinated family celebrations where she remembered what everyone loved to eat and was sure to make their favorite dish.

She is preceded in death by her parents, Harry and Bertha Fischer, her sisters Doris, Vera, Bernice, Sadie, her brother LeRoy and her son Alan. She is survived by her loving husband Clint and three daughters, Cathleen (Pete), Paulette (Bob) and Tamara (Briant) and her grandchildren Michael Sperr, Doug Ward and Spencer Bailey.

Our family would like to extend a heartfelt thank you to her close neighbors, friends and Pastor Walter Klockers for their support and kindness throughout her life at Moses Lake. We would also like to thank the Doctors, Nurses, Techs and Aides at Lake Ridge Center as well as Samaritan Hospital for the love, care and concern they gave to Vera over the last few months of her life. A service and memorial is planned at Immanuel Lutheran Church in Moses Lake on Wednesday, October 14, 2020.

“ In the brief time I knew Vera, I came to really enjoy the time we spent chatting while I cleaned for her. My boyfriend and I grew to love the Sperrs and always looked forward to the next visit where I got to spend more time hearing her family memories and her hearing mine.. I wish I had more time but I know you are in a better place where you're health is better and I know it was just your time to be with the Lord. I am grateful to have known you and will never forget you're beautiful smile that always seemed to light up the room. I remember the day right before you went to the hospital the first time you wanted a hug right when I walked in.. I gladly gave you a huge hug and felt the warmth of your soul as you made me feel like I too was apart of your family. I will never forget that first and last hug because it meant so much to me. I will miss all of your stories , as that was what I looked forward to each week and don't worry, I'll still keep the place exactly how you liked it for Clint in your memory. I love you and miss you dearly Vera. But will one day see you again on the other side.. For now, I'll just wait for the sign that you're still with us, just on a different demension, just as my late husband has shown me. Rest in peace lady!
